

Lent: It's All About Love

In the waters of our baptism we are given new life in Christ. As we go about our everyday lives, however, it is often easy to be tempted away from God's ways. Lent is that time of year when we make space in our lives to focus on renewal, the renewal of our baptismal vows and renewal of the way of living that God calls us into every day.

This year, as we make our 40-day journey of renewal to the cross we will focus on God's love and the love God intends us to have in our lives. God's love is freely shared with all: we cannot earn it, we cannot deserve it, and because we are loved, we, too, ought to love.
